

Instructions on how to use markdown

This is the first time I am using markdown. I am excited to learn how to use it.
I am going to learn how to use the following.

Paragraph 2. As you can see, I am learning how to use markdown.
Paragraph 2. As you can see, I am learning how to use markdown.
Paragraph 2. As you can see, I am learning how to use markdown.
Paragraph 2. As you can see, I am learning how to use markdown.

This text is **bold**.

This text is **bold**.

This text is *italic*.

This text is *italic*.

This text is ***bold and italic***.

This is a little bit of code

```
print("Hello World")
```

Manual of what to do

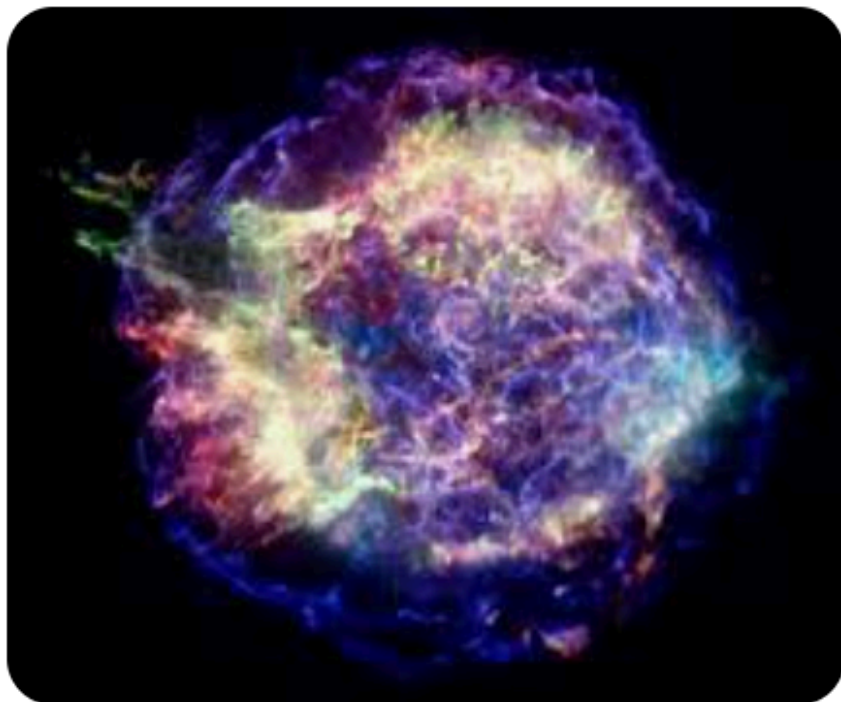

This is what you need to do:

- Get the data
- Clean the data
- Analyze the data
- Visualize the data
- Share the data
- Expand the list here:

- Get the data
- Clean the data
- Analyze the data
- Visualize the data
- Share the data
- Expand the list here:
 - Add more data

1. Get the data
2. Clean the data
 - i. Hi
 - ii. Hello
3. Analyze the data
